FIRST NIGHT® ADMISSION INFORMATION

We are always looking for ways to improve our efficiency and user-friendliness and to make minor adjustments that will help ensure that, after 20 years, First Night Morris County will continue to exist well into the future. We thank you for adapting with us, as we work to make First Night Morris County the best it can be. Once again, we have partnered exclusively with Mayo Performing Arts Center (MPAC, formerly the Community Theatre) to sell our tickets and buttons.

Here's what you need to know to join us on New Year's Eve:

We are pleased to announce discounted 4-packs through December 31, but please note that our "early bird" pricing changes go into effect on December 27, NOT December 31, this year. Tickets/buttons are \$20 each or \$70 for a 4-pack through December 26. Beginning December 27, tickets/buttons are \$25 each or \$90 for a 4-pack.

You may purchase a First Night Morris County ticket or admission button online at FirstNightMorris.com or at the Mayo Performing Arts Center Box Office (MPAC, formerly Community Theatre). You may purchase from MPAC via phone (973-539-8008) or in person (100 South Street) during their regular box office hours.

Admission tickets and buttons are interchangeable. You need **either a ticket OR a button** to gain entry to our venues. First Night **tickets may be exchanged for admission buttons at any venue** on New Year's Eve, for those of you who have made the annual admission button a collector's item! Receipts for online purchases are not tickets. Please follow the instructions on your receipt to pick up your tickets.

All tickets ordered online or by phone prior to December 21 will be mailed to your home. Tickets purchased after December 21 must be picked up at the MPAC Box Office (until 4 p.m. on December 31) or at New Year's Eve "Will Call," which will be set up at the Morristown Library, directly across the street from MPAC, beginning at 4 p.m. on December 31.

IF YOU PLAN TO WAIT UNTIL DECEMBER 31 TO PICK UP YOUR PRE-PURCHASED TICKETS, PLEASE ARRIVE AS EARLY AS POSSIBLE. WE RECOMMEND YOU ARRIVE BY 6 P.M. TO AVOID MISSING ANY PORTION OF YOUR FIRST SHOW. WE HAVE MOVED NEW YEAR'S EVE "WILL CALL" (4 P.M. to 9 P.M.) ACROSS SOUTH STREET TO THE MORRISTOWN LIBRARY TO REDUCE CONGESTION AT THE BOX OFFICE.

Mike Agranoff

Defying categorization, Mike amasses stalwart fans among folk aficionados of all persuasions. His material encompasses traditional ballads, fiddle tunes, Tin Pan Alley, contemporaries in the Folk World, and his own witty pen - all delivered with a skilled hand on guitar, piano, and concertina, an almost telepathic transmittal of the essence of the song, and a sly twinkle in the eye in anticipation of some of the most horrible parodies ever perpetrated on an unsuspecting audience. A signature feature of Mike's performances is his inclusion of some heart-stopping spoken word pieces, unforgettable stories that rivet the listener. www.mikeagranoff.com

**Battle of the Bands - New!**

The Dirty Birdies Jug Band: "The world's most dangerous jug band."

Formed in 1965, the Dirty Birdies drew on traditions of the 1920s itinerant Mississippi musicians whose music incorporated country blues, spirituals, and traditional folk, all delivered with a sense of whimsy. Often impoverished, these musicians made their own instruments out of washtubs, whiskey jugs, broom handles and such, giving rise to the name "jug band." For the past 46 years, The Dirty Birdies have captivated audiences from London, England to Carlisle, PA, headlining at the National Jug Band Jubilee (Louisville KY) and, most recently, before screaming Harley owners at Bike Week (Laconia, NH). This is "good times music" at its best. www.birdies.org

Meet the Musicians: Dennis Kobray as a friend of Scott Joplin

Travel back to the dawn of the 20th century with actor, pianist and storyteller, Dennis Kobray who brings Scott Joplin's complex, joyous music to life. A pioneering African American composer and pianist, Joplin developed ragtime, whose syncopated rhythms set against a steady beat became one of the main roots of jazz. The classically trained Joplin envisioned blending ragtime with European classical musical forms. He composed operas, marches and waltzes and nearly 60 ragtime works such as *The Maple Leaf Rag* (first piece to sell 1 million copies of sheet music) and *The Entertainer* which remain popular today. www.meetthemusicians.us

Melanie Mitrano sings Portuguese *Fado*

Sometimes likened to the American blues for its ability to capture life's hardships with songs of bittersweet nostalgia and longing, *Fado* is the traditional folk music of Portugal, known for its exquisite and mysterious beauty. Singer/songwriter Melanie Mitrano, an "American Fadista," holds a DMA and MM from the New England Conservatory and a BM from Eastman School of Music. Her vocal and compositional styles span seven languages and many genres, including traditional *Fado*, which she performs alongside her own original Portuguese-language compositions - with her stellar *Fado* Quartet of José Luis Iglésias (Portuguese guitar), Meliset Abreu (classical guitar) and Dave Rimelis (violin/mandolin).

Sweet Plantain Quartet: Blending Classics, Latin Music and Jazz

... this virtuoso quartet brings a freshness and inventiveness to every note they play..I was simply blown away." - Stuart Malina 2007 Tony Award-winning conductor.

They've toured Russia, collaborated with Grammy award-winning composer Ryuishi Sakamoto, performed with the likes of John Fadis, Tito Puente, Marc Anthony, Billy Joel, Alicia Keys, and Smokey Robinson, among others, and trained at top conservatories. Artfully fusing the Western classical traditions in which they were trained with the hip hop, jazz improv, and Latin rhythms on which they were raised, these virtuoso musicians (from NY, NJ and South America) are at once contemporary, urbane, multicultural and truly fascinating. www.sweetplantain.com
